

"Breakfast on the Farm is one way we can help ensure future generations of Vermonters maintain a connection to the land and an appreciation for the importance of agriculture in our state."

-Anson Tebbetts, Vermont Secretary of Agriculture

Dear Breakfast on the Farm Sponsors:

Due to the recent situation with COVID-19 we have cancelled both of our farm tour events and are instead offering a live virtual breakfast on the farm tour on Saturday, May 16th. Our virtual tour will be hosted by Newmont Farm in Bradford, VT. The Gladstone family will take us on an education tour through their dairy farm. Our goal is to introduce the public to the life and business of farming, giving them an opportunity to learn where their food comes from before it arrives on grocery shelves.

Prior to COVID-19 we had already received several sponsorship donations. Although our event costs this year will be greatly reduced, we will still have some costs associated with the virtual tour. For those of you who donated already we appreciate your support for Breakfast on the Farm and have a few options for your funds:

1. We will use your money towards this year's virtual tour event.
2. We will save it for our future events and/or put it towards your 2021 donation.
3. We can issue you a refund.

If you haven't donated yet and would still like to contribute, please complete the attached form and return it by **May 11th, 2020**. If you have questions or would like more information, **please contact Ashley Audet at Vermontbreakfastonthefarm@gmail.com**.

2020 Vermont Breakfast on the Farm Sponsorship Form

Yes, we want to be a 2020 Vermont Breakfast on the Farm sponsor!

Organizations Name:
